New England Fiero Association

Thank you for your interest in NEFA. Founded in March 2000, we are a member run club with members representing all the New England states and beyond. Membership dues are \$15.00 per year. With your membership you also receive our Fiero Pride Newsletter.

Members have many interests, but all of us have one thing in common, our love for the little two-seaters and sharing the obsession with others.

NEFA holds an annual swap meet, we all get together to attend car shows and cruises and we enjoy tech sessions. Enjoying New England is on NEFA's schedule during the year.

A NEFA website - www.fieropride.com - is maintained with a list upcoming events in the membership area and events of other clubs around the country. The website contains a library of newsletters, including an index of articles. Just click on a title that interests you and be transported to the issue with that article. This library is a great resource to every Fiero owner.

You are also encouraged to join our associate club, MAFOA (Mid Atlantic Fiero Owners Association), for an additional \$5.00 (this is a non newsletter membership). Joining MAFOA gives you even more opportunities to have fun with your Fiero, such as member discounts. Just check off the "Join MAFOA" option on the reverse side of this form.

We look forward to seeing you and your fiero at future events!
